Nr. 093/21.01.2014

To whom it may concern,

The Romanian Ski Biathlon Federation was chosen by the International Master Ski Jumping Committee as a host organizer and City of Rasnov as a host town for the 25th edition of International Master Ski Jumping Championships between January 28 – February 1st, 2014.

Even if we have strived to fulfill this challenge successfully, the weather was not an ally and friend and didn't help us to make snow and to prepare the jumping hills.

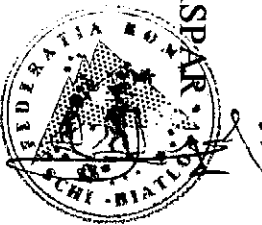

We very much regret to let you know that due to the warm weather and for safety reasons for entered participants we had to cancel the organization of this important competition such expected by you all.

With hope that our collaboration with IMC will continue for future competitions, please accept our greetings.

Your Sincerely,

General Secretary,

Puiu GASPARIU
